WH asked for this: any way we could get a line added with a stat related to what the EPA has accomplished under the Trump admin?

Please see my edits in track changes. If you are good with this, we will clear with WH and possibly get a green light today! -Allison

As expected: Hi Jessica - any way we could get a line added with a stat related to what the EPA has accomplished under the Trump admin?

Please make and clear that addition with Alex and I think we'll have a rapid approval.

Thanks! Jess
